

The ancient Aum symbol, from Indian mysticism,
symbolises the creation of our universe,
as three dimensions of consciousness,
appearing, within the Eternal.

Our universe then is a 'leela', a play of consciousness,
based upon four 'elephant traps' of perception.
Firstly, our planet appears to be flat, the sun to orbit the earth,
and the earth to be the centre of our universe.
Secondly, matter appears to create consciousness.
Thirdly, the ego appears to be separate,
from the surrounding universe.
And fourthly, the Eternal, appears to be only,
the three dimensions of consciousness,
those of deep sleep, dream, and waking.
